Math 280B, Winter 2022

Homework 2, due January 24

The following problems are from the course text *A Probability Path* by S.I. Resnick.

1. I recommend that you at least glance at each problem at the end of Chapter 8.

2. Especially, have a look at problems: 21, 22, 23, 26, 32, 36, on pages 282–291.
